

Forest School

KEEP IT ON
CAMPUS
↑

This is Willow and Chestnut room where we start and end our day.

This is also where we will have our lunch.

Here is how we get to our forest school site.

This is our forest school site!

We use an outdoor toilet!

This is our log circle where we like to all sit together. We eat meals here too that are cooked on the campfire.

There is a lot to explore in our forest school area.

Here is our swing.

This is the stick den!

We have a hammock.

Lots of things are made in the mud kitchen.

We have some balancing logs.

This is the shed where Dan keeps his tools.

Here are some of the people that will look after you...

Dan

(Senior Forest school leader)

These are some of the other people that will help at forest school...

Jo

Forest School Promises..

- To always listen to each other
- To take care of our environment and nature
 - To share and take turns
- To be kind and gentle with each other
 - To always have a go!
