This is Sweetpea room.

This is our book corner.

We love to explore and use our imagination in the construction and small world area.

We have an art area where we can be creative and explore messy play!

This is where we eat our meals.

This is our bathroom where we change our nappies and use the potty.

This is where we go to sleep.

We have a quiet area where we can go to relax.

We can help ourselves to water when we need a drink.

We have an exciting outdoor play area.

We spend a lot of time in our large sand pit.

We share our garden with the Bluebell children.

Sometimes we go for walks on the university campus.
